

Parenting the Child You Have: Re-imagining the Parent-Child Relationship Through the Lens of Human Design

ISBN: 978-1951694845

Price: \$9.95 – \$24.95

Description

There is no doubt that parenting is a roller coaster of an adventure that presents its fair share of challenges. In *Parenting the Child You Have*, author Aypril Porter uses Human Design to teach readers how to navigate its twists and turns while also creating a closer, richer relationship with their children. *Parenting The Child You Have* teaches you how to understand and appreciate your child's uniqueness, while also seeing how you differ from each other. As a result, parents can be the best version of themselves while helping children stand tall in their knowledge of who they came here to be. Porter's gentle, supportive wisdom enables children to be seen, heard, and valued for who they truly are, allowing them to navigate the world from a deep inner wisdom. *Parenting The Child You Have* will help you find more compassion for your children and all of the people in your life, especially those whose habits drive you crazy!
