Description

“What is an energy Type?” asks Annie. “It’s how your energy works and the special way for you to be you,” says Quantum Queen. “It helps you understand how you work best with other people, too.” “Does my energy Type have a name?” asks Annie. “Yes,” says Quantum Queen, “your energy Type is called an Alchemist. “What is an Alchemist?” asks Annie. “Someone who uses their energy to work to build the world,” says Quantum Queen. “Alchemists wait for things that light up their body inside. Then when it’s the right time to start they practice it to become really good at it. When they are great at it they help build the world and make it better.”
